Dear Dr. Stever:

The History Staff is now at work on an official monograph on the topic of overhead reconnaissance.

We would find it extremely helpful in our research if one of our staff historians, [redacted] could spend an hour or so talking with you. In particular, he would like to review with you the contribution made by the Beacon Hill group during the 1954-55 period.

STAT

[redacted] will telephone you sometime in the next few days, and I shall be most grateful for any help you can give him.

STAT

With all good wishes,

Yours sincerely,

/s/

J. Kenneth McDonald
Chief Historian
